

2016 Saturday Spectacular Important Information and Schedule

IMPORTANT INFORMATION

When the campers arrive and payment is received (\$30), the counselors will split the campers into different units (groups). They will be paired with campers of similar ages. Each unit will have one unit leader that will stay with his or her unit at all times. Unit leaders will be alerted of any special circumstances involving campers and all information about the campers will be kept private. There will also be two or three other counselors attached to each unit that will stay with their assigned units during dinner, tug of war, marathon, and skit. After the campers break into different units, the units will rotate through the assigned activity areas. The activity areas include: handicrafts (tie-dye if purchasing a shirt or boondoggle), archery (with foam arrows), the exciting game of Gaga, tribe bonding games mixed with interactive sessions about Camp Ondessonk, and a skit time. Dinner will consist of pizza, but we can adjust for individual campers if there are food allergies. Marathon will consist of a fun and exciting obstacle course/relay race between units. Our theme for the night is Disney, so wear Disney and camp attire!

**If you have any other questions about Saturday Spectacular, or about Camp Ondessonk in general, please feel free to email lodge.springfield@gmail.com. Make sure that you fill out the online registration form attached to the email as soon as possible. Upon arrival make sure that you have the signed waiver form and the \$30 payment (remember that you can get \$1 off for

each canned food item that you donate; up to \$5 off). The camper will only be guaranteed a shirt if the online form is submitted by April 1, 2016.**
