

Dear Lodge Reunion Participant,

Thank you for registering for Lodge Reunion! This weekend will be a great time to check in with old friends and focus on the upcoming year's goals! There are a few things that you should know before you arrive.

Check in Friday night will be at the Trading Post from 7-9 PM. The trading post will be open during check-in and check-out, but only limited items will be available. There will not be dinner provided Friday night, so please make sure you eat before you arrive or you bring snacks to hold you over until Saturday breakfast (remember, no food in units!). If you arrive after 9PM, go to the staff lounge to check-in.

The weekend will conclude on Sunday morning. Pick up is between 11:00 and 11:30 AM at the Covered Bridge. The rest of the weekend will be spent at camp reconnecting with friends, completing service projects for camp, and participating in some special camp activities. Because of our scheduled work projects, **please make sure that all participants bring long pants, close-toed shoes, and work gloves.** In addition, we will be sleeping in units, so pack a sleeping bag or bedding that is appropriate for the overnight temperatures. You will find out your unit when you check in.

There is no dedicated medical staff on site. All camp staff have CPR and first aid certifications, and some full-time staff members have advanced medical certifications, so first responders will be on site, but the Health Center will not be open. Reunion staff will carry a first aid kit with commonly needed supplies but there is no medication in these kits.

Participants will need to carry and dispense their own medications, both prescription and over-the-counter.

Summer rules apply. This means that any inappropriate behavior will result in early dismissal from the event, which could also result in suspension from Lodge at the discretion of the Lodge Officials. So please let's all keep this weekend's mission of service to camp in mind!

We all can't wait to see you!
