Checklist of items that are most frequently asked about

- Be sure your camper's friends are listed in the OPTIONAL ITEMS/CABIN MATE section of your account. Click on the "Manage Cabin Mate" button to enter their names. We place more emphasis on friends being together than their preferred unit. You do not have to register at/around the same time to be bunked together.
- Pre-purchase barter bucks for the Trading Post (camp store). Click on the blue "Make a Payment" button in the FINANCIAL section of your account dashboard, then click on the CAMP STORE tab and type in how much you would like to deposit. On average, \$30 in spending money is sufficient for most campers.
- Click the "View Transactions" button in the FINANCIAL section of your account dashboard to view all transactions on your account (to include Trading Post purchases while your camper is here). Click the plus (+) sign to view more and more details. AMOUNTS IN RED PARENTHESIS are credits on your account, not what you owe.
- Sign up for Bunk 1 to view photos or to send your camper an email. Go to www.bunk1.com and use invitation code COND22. Please note, parents can send emails to campers, however campers are no longer able to respond through Bunk 1. The heart behind this decision is for the campers to disconnect and enjoy their time at Camp. They can continue to send letters/postcards through USPS. For assistance with Bunk 1, contact them directly at 212-974-9112 or support@bunk1.com.
- To learn about our bus transportation and sign up for it, go to ondessonk.com/summer-camp/parent-resources.
- If you didn't purchase a Care Package during registration but would like to, go to the OPTIONAL ITEMS/ADD.CHG. section of your account dashboard. Click on the "Manage Add. Charges" button and make your selections.
 - The \$20 Care Package includes a drawstring backpack, 20oz water bottle, unit bandana and sunglasses.
 - The \$70 Camp Essential Package includes a drawstring backpack, 32oz sports water bottle, unit bandana, sunglasses, flashlight, 5 postcards with stamps, carabiner with compass, hairbrush, toothbrush, toothpaste, shampoo, conditioner, sunblock, bug repellent, and bug netting.
