John Muir once wrote, "In every walk with Nature one receives far more than he seeks." Join the Ondessonk Retreat Team for a weekend walking "with Nature". This spiritual retreat will be a time to step outside of the everyday hustle and bustle to be nourished through nature, community, and faith. Throughout the weekend select readings will be discussed and time will be provided for silent reflection. This weekend is intended for adults and couples looking to nurture their lives through a spiritual retreat. We will spend most of the days outside hiking the Ondessonk Trails, weather permitting.
